"We're pleased to be partnered with these outstanding dealerships," said Alan Lang, Director of Sales & Marketing for Scout Boats. "As we make the turn into our 27th model year, these additions will help us penetrate further those important markets that will help our continued growth."

Scout builds center console and dual console sportfishing models, along with XS/bay boat models, ranging from 17' to 42'. Since its founding nearly three decades ago, the company's goal has been to manufacture the best-built boats in its distinctive sportfishing niches. Each Scout hull is a true original, as the in-house research and design team works closely with engineering to take concepts from blueprint to production more efficiently, growing the company's world-class reputation for quality, strength, durability and value.
